

DATA SECURITY STATEMENT

1. Register controller

Political Parties of Finland for Democracy – Demo Finland
Siltasaarenkatu 4 – 7th floor, 00530 HELSINKI, Finland
info(at)demofinland.org

2. Name of register

Demo Finland register of contacts

3. Purpose for processing personal data

Demo Finland register of contacts is a register used for sending Demo Finland newsletter and comparable information material or material concerning activities of and the development of Demo Finland.

4. Register's data content

Demo Finland only stores data that is necessary for the data's purpose of use and has a legal basis for its processing. The data secured in the register includes: names and email addresses.

5. Regulatory data sources

Data is collected to the register through the different channels of contact between Demo Finland and individuals, for example phone calls, SMS, via email, subscribing to Demo Finland's newsletter digitally via the website or by filling out a paper form. Personal data is received and updated according to regulations.

6. Principles of securing the register

The register is secured from outside use, and the use of the data is monitored. Data is stored on servers secured with firewalls, passwords and other technical means. The data on the websites and other services is secured with an SSL-encrypted connection.

The information contained in the register is stored until the registered individual unsubscribes the email list. The individual is reminded of the possibility to unsubscribe in each newsletter. The information is deleted from the register as soon as possible, but no later than three months after unsubscribing.

7. Regulatory disclosure of data and the transfer of data outside of EU/EEA

Outsourcing services such as Office and Mailchimp are used to store information. These servers may physically be located outside the EU and the EEA. Other information will not be disclosed. The association may also outsource processing of personal data other companies that may also be located in countries outside the European Union and the European Economic Area, such as the United States. These companies may process personal data to provide, for example, infrastructure and IT services, or other services. In such cases, sufficient data security and processing of the register will be handled by EU-U.S. - Privacy Shield, or by contract using the templates approved by the EU Commission.

8. Rights of the data subject

Data subjects have the right to request and receive a copy of their own personal data, have their personal data amended or deleted, unless applicable data security regulations require that the data be retained, request restrictions to the processing of their personal data or oppose this processing and refuse in full or in part, any contact made for the purpose of direct marketing and research.

If the processing of personal data has been based on a data subject's permission, the data subject has the right to cancel their permission to process their personal data. Cancelling this permission will not affect the processing of personal data that has been conducted prior to the cancellation.

Any requests pertaining to checking or correcting data or the right to refuse contact must primarily be made in writing and sent via email or mail to the person responsible for Data Security, in this case the Financial and Organizational Coordinator of Demo Finland (info@demofinland.org).

In case of a request to amend, correct or delete data or to cease contacting the data subject Demo Finland is required to do so without delay. If Demo Finland refuses the request the data subject has the right to appeal in writing to the Data Protection Ombudsman: Tietosuojavaltuutetun toimisto, PL 315, 00181 Helsinki. The Data Protection Ombudsman may order Demo Finland to amend the information in the register.

9. Use of cookies
